# Interpret my cards

Interpret my cards
Past, Present, Future

Your question (optional): Synthetic test: make time for art
What do you notice first? (optional): The water feels calm

1. Where it began: The Magician — Reversed
Scattered energy or unused talent. Ask what is holding your focus back.
2. Where it stands: Queen of Cups — Reversed
Emotional overwhelm or neglecting your own needs.
3. Where it is heading: Eight of Pentacles — Upright
Steady, focused work builds skill.

My reflection:
Synthetic reflection: one small session helps.
